

Supper for Children

You are invited to a 'Supper for Children' in aid of The Separated Child Foundation.

Date: _____

Your host(s) _____

Venue: _____

Suggested donation per person: _____

The initial host invites a number of their friends to supper or lunch. Each of the attendees are invited to give a donation of a suggested amount which is collected by the host and comes to the charity.

Each of the guests pledge to do the same thing with their friends, and their guests pledge to do the same and so on to keep the 'chain' going.

Through our Suppers for Children we hope to raise £10,000. This will provide 285 separated children with an arrival pack giving them a warm welcome as they arrive with 'with nothing', dishevelled and dirty, at the end of a difficult, demanding, and often dangerous journey. For the separated children and young people who have already received a pack from us, it has made a simple but important difference to their everyday life.
